

Call to Prayer

The paschal mystery of Christ's life, death and resurrection is the centre of our Christian faith.

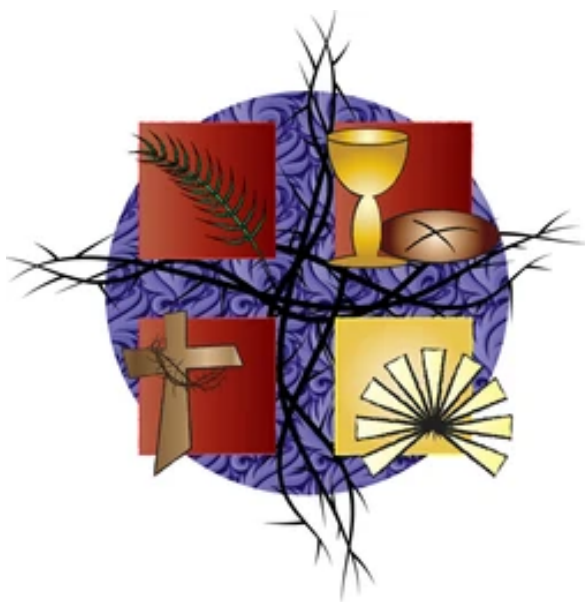

As such it forms the very heart of our liturgy and the entire liturgical year grows from it.

Holy Week, as the name suggests, is the most sacred week in the Church's year and reaches its climax in the Triduum, the three days of Holy Thursday, Good Friday and the Easter Vigil.

The Easter mysteries speak to God's generosity, an outpouring of love to a world in need of peace and healing.

Let us prepare our hearts and minds to enter this sacred time..

Holy Week

Be silent.

Be still.

Empty.

Before your God.

God Knows.

God Understands

God loves you with an enormous love.

Let your God look upon you with that love

Quiet

Still

Be

Let your God love you.
